16 WHEREAS, the FY2004-2009 Transportation Improvement Program (TIP) is the
17 current TIP for the Albuquerque Metropolitan Planning Area (AMPA); and

18 WHEREAS, the TIP must contain all Federally-funded transportation projects in
19 the urban area and must provide an accurate description of the projects being funded;
20 and

21 WHEREAS, the City of Albuquerque's McMahon Extension project is currently
22 shown in the 2004-2009 TIP with termini from Unser Boulevard to Coors Bypass; and

23 WHEREAS, the City of Albuquerque has requested that these termini be
24 modified to extend the western limits of the project from Unser Boulevard to Rainbow
25 Boulevard; and

26 WHEREAS, amending the project limits gives the City the flexibility to extend this
27 roadway further to the west; and

1 WHEREAS, the recent opening of the Westside Technical Vocational Institute
2 campus and additional development in the surrounding area creates a need for this
3 additional portion of roadway; and

4 WHEREAS, unexpectedly low initial bids for the original project enable the City to
5 provide for the extension of the project termini; and

6 WHEREAS, this modification does not require a revision to the air quality
7 conformity analysis for the TIP; and

8 WHEREAS, it is the responsibility of the Metropolitan Transportation Board to
9 make this type of change to the TIP.

10 NOW THEREFORE BE IT RESOLVED by the Metropolitan Transportation Board
11 of the Mid-Region Council of Governments of New Mexico that the FY2004-2009 TIP is
12 modified to show the termini for the McMahon Extension project as extending from
13 Coors Bypass to Rainbow Boulevard.

14 PASSED, APPROVED, AND ADOPTED this 24th day of June, 2004 by the
15 Metropolitan Transportation Board of the Board of Directors of the Mid-Region Council
